

Terms of Use - Disclaimer

1. Intellectual Property and Content

The Intellectual Property rights on this portal, are the exclusive property of Transform Research, LLC, dba Bio Data Bridges and are governed by United States of America Intellectual Property law in force. "Intellectual Property rights" means all or any copyrights, patents, trademarks, trade names, logos, service marks, design rights, database rights, algorithms, know-how, trade secrets, source codes or object codes related to software under license, rights in undisclosed or confidential information, and all other registered or unregistered intellectual property and any applications of the above.

Transform Research, LLC shall remain the sole holder of all of its intellectual property rights for the duration of any use of this portal.

This portal and its associated resources are for research, educational and informational purposes only, not for clinical and / or commercial use. It is a service to the scientific community.

In any case, the name of Transform Research, LLC shall not be associated with publicity or business promotion without prior written approval.

Each user undertakes that, in using this portal, he/she/it shall not at any time violate the intellectual property rights of Transform Research, LLC or of any third party.

2. Representations and warranties

ALL INFORMATION, INTELLECTUAL PROPERTY RIGHTS, PRODUCTS AND / OR SERVICES ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, SUITABILITY AND / OR FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. IN PARTICULAR, TRANSFORM RESEARCH, LLC MAKES NO WARRANTIES OF ANY KIND REGARDING THE ACCURACY OF ANY DATA, SOFTWARE AND / OR DATABASE.

In no event is the access to this portal guaranteed.

This portal contains links to external third-party websites. Transform Research, LLC has not reviewed the contents of these third-party websites and makes no warranty of any kind, expressed or implied, regarding these websites, including but not limited to, their merchantability, suitability and / or fitness for a purpose and the non-infringement of these links and / or third-party websites.

The User represents and warrants that he/she/it shall not violate or circumvent any safety program or introduce advertisements containing codes or malware, spyware, data corruption, viruses, data infections or other harmful codes, hacking mechanisms, data crash codes and the like.

3. Liability

To the maximum extent allowed by law, Transform Research, LLC shall not be held liable for, including but not limited to, any liabilities, losses, loss of profits, data loss, damages, claims, costs and expenses (including legal fees) resulting from the access to, and / or any use of, this platform.

In case of unexpected issues, unexpected disruption, force majeure and similar events, such as unauthorized or accidental destruction of data; accidental loss; technical faults; forgery, theft or unlawful use; unauthorized alteration, copying, access or other unauthorized processing and the like; violation or circumvention of any safety program or the introduction of advertisements containing codes or malware, spyware, data corruption, viruses, data infections or other harmful codes, hacking mechanisms, data crash codes and the like, by any third party or by any user, Transform Research, LLC shall not be held liable for, including but not limited to, any liabilities, losses, loss of profits, data loss, damages, claims, costs and expenses (including legal fees) resulting from such circumstances.

To the same extent, in no event, shall Transform Research, LLC be held liable for, including but not limited to, any liabilities, losses, loss of profits, data loss, damages, claims, costs and expenses (including legal fees) resulting from the access to, and / or any use of, the links to external sites and / or the content of third-party websites, unless unlawful intent or gross negligence on the part of Transform Research, LLC can be proven.

4. Cookies

The user is informed that cookies may be stored on the hard drive of his/her/its computer to record information about his/her/its visits to this portal.

Cookies are used to identify the user and to facilitate and customize this portal's use by memorizing certain parameters. Cookies are used, in particular, to obtain information on the visits to the pages of this portal and the date and time of consultation.

The user can at any time prevent the recording and storage of cookies on his/her/its computer by disabling the option in his/her/its browser. However, some features of this portal may require the mandatory use of cookies (customization, warnings, etc.). Otherwise the use of this portal may be impaired or even impossible.

5. Pop-ups

In order to access all the features of this portal, the user may be required to authorize / enable his/her/its browser to display pop-up windows, otherwise the use of this portal may be impaired or even impossible.

6. Force majeure

Transform Research, LLC is relieved from any liability for non-fulfilment or partial obligations hereunder, if such non-fulfilment has occurred due to circumstances of force majeure including fires, floods, other natural disasters, damage, war or hostilities, strikes, epidemics or other circumstances which have actually influenced the non-fulfilment of obligations, including but not limited to, unauthorized or accidental destruction of data; accidental loss; technical faults; forgery, theft or unlawful use; unauthorized alteration, copying, access or other unauthorized processing and the like, violation or circumvention of any safety program or the introduction of advertisements containing codes or malware, spyware, data corruption, viruses, data infections or other harmful codes, hacking mechanisms, data crash codes and the like, by any third party and / or by any user, resulting in content damage and / or loss of control over this portal and other reasons recognized as force majeure by national and international practice guidelines.

7. Severability

In the event that any one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this portal's disclaimer, but this portal's disclaimer shall be construed as if such invalid, illegal or unenforceable provisions had never been contained herein, unless the deletion of such provision or provisions would result in such a material change so as to cause the execution of this portal's disclaimer contained herein to be unreasonable.
